Print-Rite Unicorn Image Products Co. Ltd. of Zhuhai

「堅持環保及產品安全」是天威的願景。天威十多年來積極研發設備及工裝，生產再生耗材，以培訓與激勵推動全民參與減廢、減排及減碳工作，以及透過產學研合作開發更有效的回收及再生方案。

Print-Rite puts strong emphasis on environmental protection and product safety. For over a decade, we have developed equipment and processes for printer cartridges re-manufacturing. We train and motivate our staff at all levels to actively participate in projects related to waste elimination and carbon reduction. We also collaborate with academies and research institutes to develop more effective re-manufacturing processes and solutions.

在車間以T5 照明裝置取代T8，節省了百分之三十電能。於白天光照較強時，善用自然光，關閉全部或部分照明系統。

T8 lighting has been replaced by T5 lighting in the workshop, which saved 30% energy consumption. During day time, part or all lighting is switched off.
