## 佛教榮茵學校 Buddhist Wing Yan School

佛教榮茵學校歷年來積極推動環保教育，除了把環保滲入正規課程外，更提供不同層面的實踐機會。透過參與國內環保交流活動和本地社區舉辦的環保活動，讓學生全面了解綠色生活。

同學參觀有機農場，體驗親身耕種的樂趣。

Students visited an organic farm to experience the fun of farming.

Over the years, Buddhist Wing Yan School has actively promoted environmental education. In addition to penetrating environmentally friendly concepts into the syllabus, we also provide learning opportunities through different channels. We actively participate in environment-themed exchange activities with our Mainland China counterparts, as well as environmental activities organised by the local communities, which provide students with green living learning in a comprehensive way.

參與環境保護署舉辦的「舊電器回收計劃」。

We have joined the "Waste Electrical and Electronic Equipment Recycling Programme" of the Environmental Protection Department.

設置微型風力發電系統，讓同學了解可再生能源的運作過程。

A micro wind-turbines system has been installed to educate students about renewable energy.

每年均會舉辦月餅盒回收活動。
