學校 (中學)

Schools (Secondary)

中華基金中學

The Chinese Foundation Secondary School

中華基金中學提倡全校參與環保工作，在設施、政策、課程和跨學科活動中滲入可持續發展及生物多樣性的概念，並推動環保科研及與不同團體合作推廣社區環保教育工作。

The Chinese Foundation Secondary School promotes the whole-school approach of environmental protection. The school integrates the concepts of sustainable development and biodiversity into school facilities, policies, curriculums and co-curricular activities. In addition, it also encourages scientific research and cooperates with different organisations to promote environmental issues to the community.
