銀獎  
Silver  
Award

酒店及康樂會所  
Hotels and Recreational Clubs

木的地酒店承諾愛護環境，將各項環保政策融入日常營運當中，包括有效管理能源及用水，持續減少使用煤氣、電力及冷氣；酒店亦積極鼓勵客人參加其綠色環保計劃，提高住客的環保意識。

Hotel Madera Hong Kong is committed to caring for the environment and incorporating environmental policy into daily operation, including implementing effective management on energy and water usage, continually reducing the use of gas, electricity and air-conditioning. The Hotel also proactively encourages guests to participate in the Hotel's "Go Green" programme so as to enhance their environmental awareness.

安裝熱回收系統收集冷凍機組的餘熱，以預熱客房淋浴用水，節約能源。

Installing a heat recovery system to capture the residue heat from the chiller plant to preheat shower water for guest rooms to conserve energy.

於健身房，員工更衣室和美術廊等地方安裝移動感應器，減少能源需求。

Installing motion sensors in areas such as the gymnasium room, staff changing rooms and the art gallery to reduce energy demand.

與非政府組織合作，收集及回收肥皂，並將之重造及捐贈到發展中國家，教育當地孩童注重衛生。

Partnering with a non-governmental organisation to collect soap for recycling and donating them to developing countries for promoting hygiene education to children there.
