CANON ENGINEERING HONG KONG CO., LIMITED

佳能香港技研有限公司

Canon Engineering Hong Kong Co., Limited

佳能香港技研有限公司作為佳能集團的其中一員，積極推動環保活動。公司今後將努力不懈，致力透過推動環保，恪守相關法律法規，持續改善，並有效實施環境管理系統，希望繼續為社會作出貢獻。

As a member of the Canon group, Canon Engineering Hong Kong Co., Limited is pro-active in promoting green activities. The Company is committed to continuing their efforts in contributing to the society through promotion on environmental protection, compliance of relevant legislation, continuous improvement and efficient application of the “Environmental Management System”.

在2019年舉行「綠色計劃」，希望透過實地考察、視像會議、自我評估，以評核直接和間接供應商及承辦商的環保表現，從而向他們推廣環保概念。

Launching a “Green Project” in 2019 and spreading the concept of environmental protection to direct/indirect suppliers/contractors by evaluating their environmental performance through on-site visit, video conference or self-assessment.

參加各類型的環保和義工活動，包括分配剩食、樹木保護日、地球一小時和利用廢油升級改造肥皂的工作坊，提升員工的環保意識。

Joining various environmental programmes and volunteer activities, including redistribution of surplus food, tree care day, Earth Hour and upcycling workshop to make soap from waste oil to enhance staff awareness on environmental protection.

透過拆除三分之一的光管，為空調設置定時器，以及由節能團隊進行檢查，耗電量與2017/18年度相比減少了13%。

Reducing electricity consumption by 13% as compared with 2017/18 through conducting delamping by removing 1/3 fluorescent tubes, setting timers for air-conditioners and conducting inspection by the energy saving team.
