

# 銅獎 Bronze Award

## 金融、保險及會計業

Financial, Insurance and Accounting Institutions

美林(亞太)有限公司  
Merrill Lynch (Asia Pacific) Limited

為配合銀行於10年內在環保方面斥資200億美元的承諾，美林(亞太)有限公司在亞洲推行LEED驗證及數碼記錄等與美國接軌的環球政策，而今後將繼續致力減少使用紙張、電力與其他能源。

In line with the bank's commitment to spend US\$20 billion in environmental protection within 10 years, Merrill Lynch (Asia Pacific) Limited is practicing global policies in Asia such as LEED certification, Paper Procurement and Digital Records policies. We are committed to developing our internal and external education programs as well as continuing with reducing paper consumption, power and other energy consumption.

再造紙  
Using recycled paper

節能光管  
Energy efficient fluorescent Tube

地下收集站以回收可再造物料  
Underground collection point for collecting recyclable materials
