Metroplaza

新都會廣場於啟勝管理服務有限公司的優質管理下，成功締造「綠色社區」。透過創立「新都會環保管理計劃」成功減低排碳量及推動社區減碳意識，將新都會的環保工作推至更高層次。

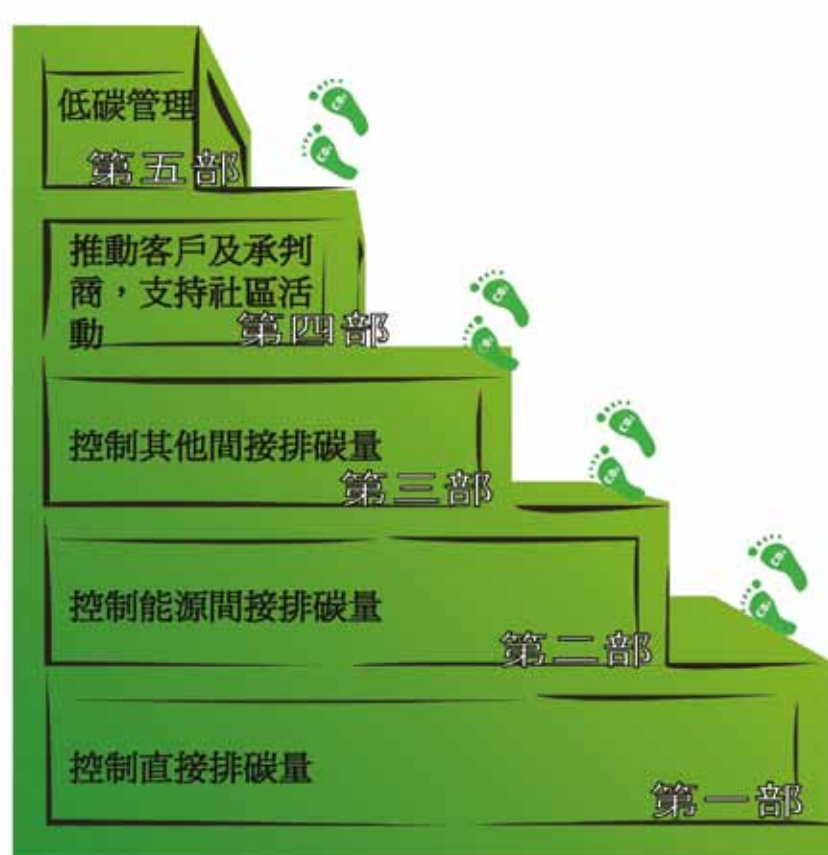

Metroplaza, under the quality management of Kai Shing Management Services Limited, is successfully building a "Green Community". Reducing carbon emissions and promoting carbon reduction awareness in the community have been achieved through launching the "Environmental Management Programme". The environmental management has reached a higher level.

於噴泉廣場及5樓天台種植有助降低室溫的佛甲草地
Fijian Grass fields at Open Piazza and L5 Roof tops help to lower the room temperature underneath
