「綠色朗豪，由我創造」——我們在酒店的每個地方，與客人及員工攜手以創新方法推行以減少、重用和循環再造為原則的綠色行動，發展環保科技，以實踐我們對環境保護的承諾。

Greening our place starts with me - We show our commitment to the environment by encouraging our people and our guests to use innovative and chic ways to reduce, reuse, recycle, and implement green technology at each and every corner of our place.
