CENTRAL TEXTILES GROUP

香港中央紡織有限公司 - 中央棉織有限公司 Central Textiles (Hong Kong) Ltd. - Central Fabrics Ltd.

中央在2011年進行多個能源管理項目，如水及染料回收、再生棉、餘熱回收、發表持續發展報告以及為集團於2005年至2010年能源足跡奠定基線。這些都有助於我們配合國內減少碳排放強度的目標。

Central continues to work on energy management through numerous projects in 2011, such as water and dyestuff recycling, cotton recycling, conservation of heat energy, sustainability reporting and baselining the group's energy footprint from 2005 to 2010, with the aim of helping us align ourselves with China's goal of carbon intensity reduction.
