### 美國安利 (香港) 日用品有限公司 Amway Hong Kong Limited

自1959年創立以來，安利始終堅持走在關心環保、關注可持續發展的前線。綠色理念不但融入安利的每一款產品，更體現在我們對環保生活的追求，以及每一個環保行動之中。

Since its inception in 1959, Amway is dedicated to promoting environmental protection and sustainability. The green commitment is reflected in all Amway products, as well as our pursuit in sustainable lifestyle and support to environmental act.

安利分別於墨西哥、巴西及華盛頓設置已獲認證的有機農場，種植各種營養豐富的植物，製成優質營養補充品。Amway runs large-scale certified organic farms in Mexico, Brazil and Washington. Plants are extracted and manufactured into quality food supplements.

安利首個採用生物降解成份產品L.O.C. L.O.C. - the first Amway product with biodegradable ingredient.

安利擬定《安利綠色約章》，鼓勵直銷商、顧客及員工在日常生活上履行十項簡單的環保事情。The Amway Green Pledge represents the commitment of distributors, customers and staff to complying with the 10 basic steps to protect the environment.

安利員工自發組成「綠色委員會」，舉辦「二手易物平台」、環保小手工、舊物捐贈等活動，鼓勵員工積極參與環保活動。A Green Committee was set up by Amway staff members to organize green activities such as exchange of secondhand products, environmental handcrafting and donation of used goods to encourage staff participation.
