SONY

索尼香港

Sony Corporation of Hong Kong Limited

為了讓下一代生活在一個可持續發展的社會，並配合集團所訂於2050年達至「環境零負荷」的目標，索尼香港承諾透過環境管理系統，致力防止企業活動對自然環境造成的污染。

In order to realize a sustainable society for the next generation and to be in line with Sony's goal of achieving zero environmental footprint by 2050, Sony Hong Kong is committed to the continuous improvement through a Global Environmental Management System (GEMS) program to minimize business impact on the environment.
