瑞士銀行
UBS AG

瑞士銀行的所有業務往來均顧及環境因素。我們的環保政策包括環境風險管理，為客戶提供一系列和環保有關的金融產品服務，以及不斷提高資源運用效率及環保表現。此外，瑞士銀行積極鼓勵員工參與環保活動，為我們的環境和社區作出貢獻。

UBS is committed to acting in an environmentally responsible manner in all business dealings. Our environmental policy stipulates that we identify and manage environmental risks; provide clients with a range of financial products and services that address environmental challenges; and continuously improve our resource efficiency and environmental performance. We also encourage our employees to participate in environmental activities that benefit the environment and communities.

在數據中心和辦公室採用符合能源效益的設計和設備，有助降低能源用量。
The use of energy-efficient systems in data centres and office helps reduce energy consumption.

在中央垃圾分類試驗計劃中，中央回收站取代桌面回收機構，提高辦公室的回收率。
In the pilot bin-less programme, desk bins have been replaced by central recycling stations to increase the recycling rate in office.

瑞士銀行定期與世界自然基金會和保良局環保及慈善機構合作，舉辦與環保有關的員工活動。
UBS regularly co-organises staff environmental activities with environmental and charitable communities such as WWF and Po Leung Kuk.

每年瑞士銀行均投資清潔發展機制中黃金級標準認證的環保項目，完全抵銷總業務行的碳排放。
Every year UBS offsets 100% of carbon emissions from business-related air travel by investing in the Gold Standard Certified Projects of the Clean Development Mechanism.
