Toshiba International Procurement Hong Kong Limited, a subsidiary of Toshiba Corporation Japan, provides China oriented procurement services to headquarter and its group companies. We stay true to Toshiba Group's commitment "Committed to People, Committed to the Future" and strive to promote environmental management and become one of the world's foremost eco-companies.

集團制定了「環境願景2050」。
The Group has developed the "Environmental Vision 2050".

公司透過供應商定期自我審核和實地監察等措施，促使供應商推行綠色管理。
We motivate our suppliers to adopt green management by periodic self-assessment and on-site audit.

公司使用節能設備、回收舊紙和膠粉、控制空調溫度、在午間關燈，致力打造綠色辦公室。
We are dedicated to building a green office by using energy efficient equipment, collecting paper and toners for recycling, controlling air-conditioning temperature and switching off the lights during lunch hour.

公司每年都會積極參與各類環保活動及舉辦生態旅遊，希望藉此教育員工及其家屬環保的重要性。
We actively participate in different green programs and organize eco-tours every year with a view to enhancing the environmental awareness of staff and their families.
