豪馬 (香港) 有限公司透過制定並實施一個環境差距分析項目，協助供應商履行環境責任，並於合理時間內建立一個系統化的環境管理模式，從而實現亞洲區可持續供應鏈管理。

Hallmark Cards (HK) Limited has developed and implemented an Environmental Gap Analysis program to achieve sustainable supply chain management in Asia. The program aims to assist our suppliers to fulfill their environmental obligations and establish a systematic environmental management system within a reasonable period.

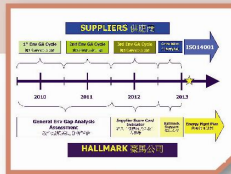

於三個環境差距分析評估週期中，主要供應商在每個環境因素的平均表現。
Averaged compliance for key suppliers on each environmental aspect among the three Environmental Gap Analysis assessment cycles.

自項目開始後，獲取ISO14001認證的供應商數量持續增加。
The number of ISO14001-certified suppliers has increased continuously since the program commencement.

我們將會推行供應鏈能源管理。
Our next step is to carry out supply chain energy management.
