Hong Kong 香港科技園
Science & Technology Parks

香港科技園公司 - 設施管理 - 香港科學園 Hong Kong Science & Technology Parks Corporation - Facilities Management - Hong Kong Science Park

香港科技園公司在科學園建設了可持續發展、環保及高效節能的設施，為園區提供健康、自然、綠色的環境。本公司是港澳區首間獲得ISO 50001能源管理認證的機構，園區的展品展示綠色理念，並介紹綠色建築的特點。

Hong Kong Science and Technology Parks Corporation (HKSTPC) provides a healthy, natural and green environment with sustainable, environmental and energy-efficient facilities at Science Park. HKSTPC is the first company in Hong Kong and Macau which obtained the accreditation of ISO 50001 Energy Management System. Exhibits in Science Park showcase the green concepts and introduce the features of green buildings.

ETFE 天窗及太陽光反射導入系統以減省用電。
ETFE roof and reflective mirror to reduce energy.

綠象標的風力發電機以示載再生能源。
Wind turbine at Green 18 Building to demonstrate renewable energy.
