## 加拿大國際學校（中學部） Canadian International School of Hong Kong (Secondary Section)

為了致力統籌學校的環保工作，香港加拿大國際學校的學生、教師以及行政人員聯同家長成立了一個委員會，每月開會進行檢討。這個組合促進了各方共同合作，讓大家發揮最大努力，令環保成效更為顯著。

Canadian International School of Hong Kong has established a committee, which comprises students, teachers, administrators and parents, working to co-ordinate the school's environmental efforts. This structure allows for co-operation, so that efforts and results can be maximized. It meets once a month to review our efforts.
