保良局世德小學

Po Leung Kuk Castar Primary School

保良局世德小學致力推動環境教育，加強學生對環境保育的意識。學校善用校園每處空間，締造「世德綠校園」，包括生態水池、蝴蝶長廊、種植園地、地質研習角等，讓學生身在校園內仍能感受大自然的珍貴。

Po Leung Kuk Castar Primary School is committed to playing an active role in launching environmental education to raise students' environmental awareness. The school uses the campus area effectively to create "Green Castar", including Eco Pond, Butterfly Corridor, Plantation Garden, Geo Corner, etc. Students can learn about the preciousness of nature even in school.
