鷹君集團積極推廣「識惜綠」環保政策，鼓勵綠色管理。花旗銀行廣場管理團隊貫徹「環保4R」原則——減少使用、廢物重用、循環再用和替代使用，推動可持續的綠色物業管理服務。

以植生牆讓綠化植物結合建築外觀，營造有機、綠色空間。
Providing a green space of organic architecture by showcasing vertical plant walls trailing gently up the exterior areas.

“Green Without Sacrifice” is the environmental strategy that drives the Great Eagle Group to work green, live green and be a green eagle. Our green policy embraces the practice of the 4R strategy — Reduce, Reuse, Recycle and Replace that offers sustainable green properties management services at Citibank Plaza.

以水冷式冷氣系統取代風冷式冷氣系統，提高冷氣的傳送效率及冷凍容量，達致最佳的節能效果。

Replacement of air-cooled chillers with water-cooled chillers to improve energy efficiency, cooling capacity and conservation.

率先配備「地下水灌溉系統」，以貯水缸收集地下水，用作清潔及灌溉等用途，實行「水盡其用」。

With an underground water irrigation system, the collected underground water is used for cleaning and irrigation.

租戶可在工作閒暇之餘，前來廣場花園的「都市農莊」享受片刻寧靜。

Setting the Eco-farm in the communal garden which provides a quiet escape for Citibank Plaza tenants.
