基督教宣道會宣基中學 Christian & Missionary Alliance Sun Kei Secondary School

基督教宣道會宣基中學致力營造綠色校園，在課程中灌輸環境教育，配以環保政策的實施與活動的推行，學生從而學懂欣賞、珍惜、尊重和熱愛生命，並建立愛護及建設環境的承擔感。

學校送贈塑膠水樽給每個同學，鼓勵他們自攜塑膠水樽上學及外出。

The school provides plastic water bottles to all students to encourage them to bring their own bottle to school or when going out.

Christian & Missionary Alliance Sun Kei Secondary School is dedicated to building a green campus, with a curriculum which aims to nurture a green culture. Through the implementation of the school environment-friendly policy and related activities, students would be able to appreciate, cherish, respect and be passionate about the wonders of the living world and to develop the sense of responsibility for the sustainable development of the environment.

家長參加學校舉行的環保酵素製作班，以果皮及紅糖製成天然清潔劑。

Parents participated in an eco-friendly enzyme production class organised by the school to learn how to make natural detergent from peels and brown sugar.

學生在環保飯堂用膳後，把廚餘放進廚餘回收桶中，以便作堆肥。

Students put leftovers into the collection container in the Eco-friendly Canteen for composting purpose.

同學將已發酵的廚餘埋在泥土中，讓其進行分解，成為有機肥料。

Students buried fermented food residue into the soil for it to decompose into organic compost.
