五育中學

Ng Yuk Secondary School

五育中學的老師和同學齊心協力，以創新而實用的方法建構綠色理想校園，例如利用環保物料建成垂直綠牆、環保庭園、有機園圃和天台花園。

Teachers and students from Ng Yuk Secondary School have made joint efforts to construct an ideal green campus through innovative and practical means, such as using recycled materials to build the vertical green wall, the green garden, the organic farm and rooftop garden.

同學在天台花園進行有機耕種，及研究不同科學科課題。

Students practising organic farming and conducting science research projects at the rooftop garden.

在天台安裝風力發電機及太陽能板。

Installing wind turbines and solar panels on the rooftop.

同學參觀首爾能源夢想中心學習最新的能源技術。

Students visiting Seoul Energy Dream Centre to learn about the latest energy technology.
