上水廣場與香港環境卓越大獎同步成長，自十年前廣場開始履行環保承諾，積極於物業實踐節能、減碳、減廢及回收，同時推廣環保教育，以冀推動公眾對平衡保育及社會永續發展之間的意識。

This year marks the 10th Anniversary of HKAEE and also Landmark North's decade-long commitment on environmental efforts. With proactive adoption of measures on energy conservation, carbon reduction, waste reduction and recycling over the years, as well as efforts in advocating environmental protection, the Company wishes to promote public awareness on the balance between conservation and social sustainable development.

為租戶引入廢物審計試驗計劃，讓租戶更了解他們所產生的廢物包含甚麼，研究減廢及提高回收率的方法。

Introducing a waste audit pilot scheme for tenants to enhance their understanding on waste composition and identifying opportunities for waste reduction and increasing the recycling rate.

在商場安裝飲水器和塑膠瓶回收機，積極推動減少塑膠廢物。

Actively promoting less plastic waste by installing a water refill station and a plastic bottle recycling machine in the mall.

以重用及升級再造的物料將平台花園改建為「環境復育園」，進一步向公眾推動城市有機耕作及環境保護。

Restructuring the podium garden as the "Environmental Restoration Park" with reused or upcycled materials to further promote urban organic farming and environmental conservation to the public.
