學校 (中學)

Schools (Secondary)

學校致力於建立綠色學校及發展環境教育，憑藉「綠色與健康融合」理念，學校積極設計能讓全校師生及家長共同參與的環保教育活動，培育新生代的可持續生活態度，並得到社會肯定。

The School is dedicated to developing into a green school and providing environmental education. By adopting the concept of "Integration of green and health", a wide range of programmes have been designed for participation by all students, teachers and parents to nurture the next generation's sustainable living attitude and attain recognition from the society.

為培育學生減少使用即棄塑膠樽及鼓勵他們自備水樽，學校向每名學生派發一個可重用水樽及安裝新的過濾添水器。

Fostering the reduction of disposable plastic bottles on campus and encouraging students to bring their own water bottles by providing each student with a reusable water bottle and installing new filtered water filling stations.

為學生及教職員提供大面積的綠化空間，例如翻新後面積擴大一倍的「鍾榮光花園」及天台有機農莊。

Providing a large greenery area for students and staff members, such as doubling the area of the "CWK Garden" after renovation and the rooftop organic farm.

參與由非政府組織舉辦的食物捐贈計劃，協助收集附近街市的未出售貨品並轉贈予有需要家庭。

Participating in a food sharing programme organised by a non-governmental organisation to collect unsold fresh food from the neighbourhood wet market for redistribution to families in need.
