國際交易中心每層均設有「綠化露台」，並在十五樓建有空中花園，為租戶及訪客締造綠色環境。管理團隊更度身訂造「信和彩虹再造計劃」及「水耕作計劃」等活動，向租戶和持分者推廣綠色管理及環保辦公室。

Exchange Tower has set up a “Green Balcony” on each floor and “Sky Garden” on the 15 / F for tenants and visitors. The management team has launched an array of measures and customised green programmes such as “Mission Green Rainbow” and “Hydroponics Farm” for promoting green management and green office to tenants and stakeholders.

透過推動租戶參與廢物審核計劃，並為租戶進行室內空氣質素審核，鼓勵他們實踐環保管理。

Fostering tenants in adopting green management by engaging them to participate in a waste audit programme and conducting indoor air quality audit for its tenants.

推出回收計劃，透過設置不同尺寸的回收箱及靈活安排收集時間，協助租戶回收物品。

Launching a Mission Green Rainbow Recycling Programme to assist the collection of recyclables from tenants with different container sizes and flexible collection schedule.

在行政人員洗手間安裝太陽能自動水龍頭，推動使用可再生能源。

Promoting the use of renewable energy by installing solar-powered automatic water taps in the executive washroom.
