Hong Kong Awards for Environmental Excellence

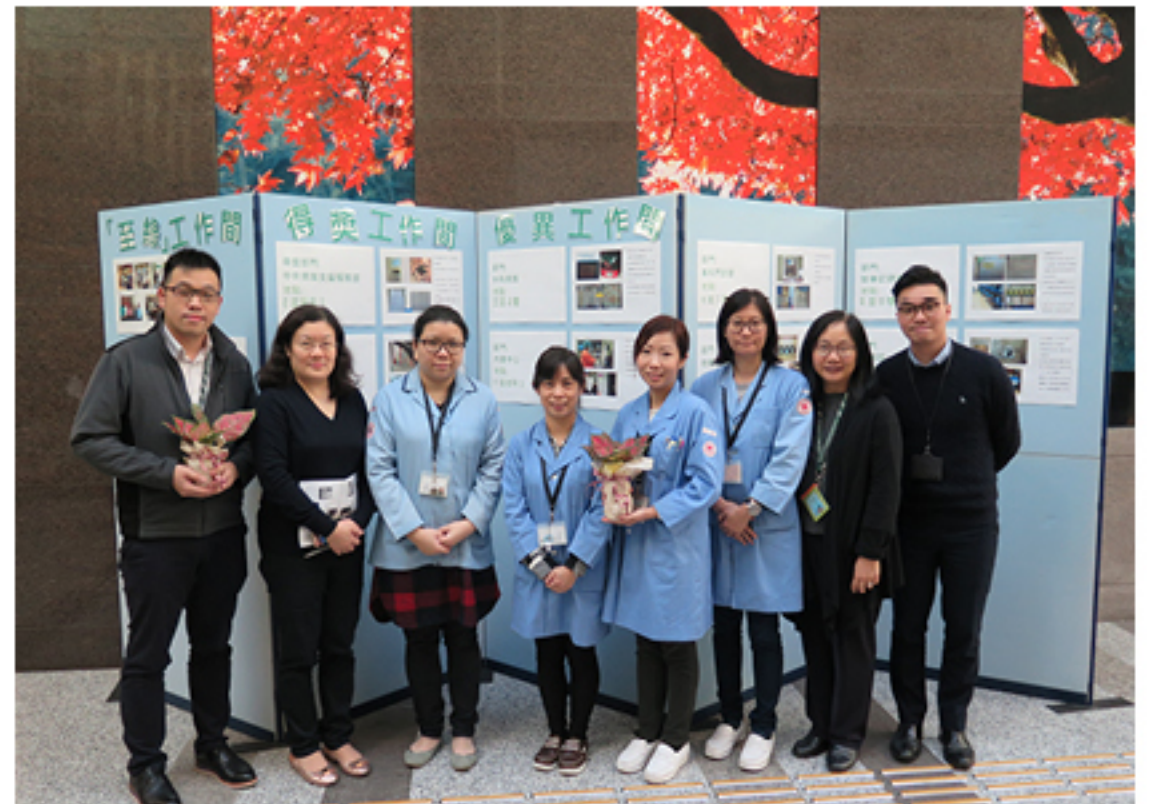

醫院管理局 — 瑪嘉烈醫院  
Hospital Authority - Princess Margaret Hospital

銀獎  
Silver  
Award

公共服務  
Public Services

瑪嘉烈醫院一向致力保護環境，舉辦多項可持續綠色活動，當中包括各項減廢、回收及重用計劃，並安裝節能設施，鼓勵醫院員工及病患者能在醫院內外身體力行實踐綠色生活。

Princess Margaret Hospital is dedicated to advocating environmental protection by rolling out various sustainable green activities, including waste reduction, recycling and reuse programmes, as well as installation of energy saving facilities, to encourage staff and patients in practising green living both inside and outside the Hospital.

設立「至綠工作間」計劃，表揚對環境保護作出重大貢獻的部門。

Launching "The Greenest Workplace Campaign" to recognise the departments with significant contributions to environmental protection.

於H座和S座採用玻璃幕牆及天窗，盡量利用日光照明，減少照明需求。

Adopting glazed curtain wall and skylight envelope at Block H and Block S to maximise the use of sunlight and reduce the demand for lighting.

實施一系列的安排，例如於外科病房內為新症病人預設取消飯餐安排及提前與病人及其家屬商討飯餐安排，大大減少食物浪費。

Achieving significant food waste reduction through a series of arrangements such as no meal arrangement by default for new cases in surgical wards and liaising closely with patients and their families in advance on the meal arrangements.
