Silver
Award

服務及貿易業
Servicing and Trading

畢馬威會計師事務所早於2007年便訂立分階段的減碳目標，透過不同措施，先後於首兩階段成功達到既定的目標。在2017年，公司更與本地初創公司合作安裝能源監控設備，監測辦公室的用電情況，並設立了綠化空間。此外，公司於辦公室張貼不同載有環保訊息的提示貼紙，時刻提醒員工及持分者實踐低碳生活。

KPMG established its carbon reduction targets in stages in 2007 and was able to meet its targets in the past two phases through adoption of various measures. In 2017, KPMG partnered with a local start-up company to install monitoring devices to track electricity use in the office and set up a green-space. In addition, the Company has also put up green awareness stickers around the offices to remind colleagues and stakeholders to adopt a low carbon lifestyle.

與本地初創公司合作安裝能源監控設備，以便制訂節能目標及推動員工工作行為改變，節約能源。

Partnering with a local start-up company to install monitoring devices on energy usage with a view to developing energy saving targets and driving behavioural changes of staff in reducing energy consumption.

在辦公室內貼上大量印有環保訊息的貼紙，教導員工不同的環保措施，例如於源頭減廢、回收和節約能源。

Putting up significant number of stickers with green messages in the offices to educate staff about different environmental initiatives such as waste reduction at source, recycling and energy saving.

獲高級管理層支持，成立由員工為主導的環保小組「Green Warriors」，並積極舉辦不同環保活動，提升公司內的環保意識。

Setting up an employee-led green interest group "Green Warriors" with the support of senior management and organising activities to promote environmental awareness within the Company.
