

香港環境卓越大獎

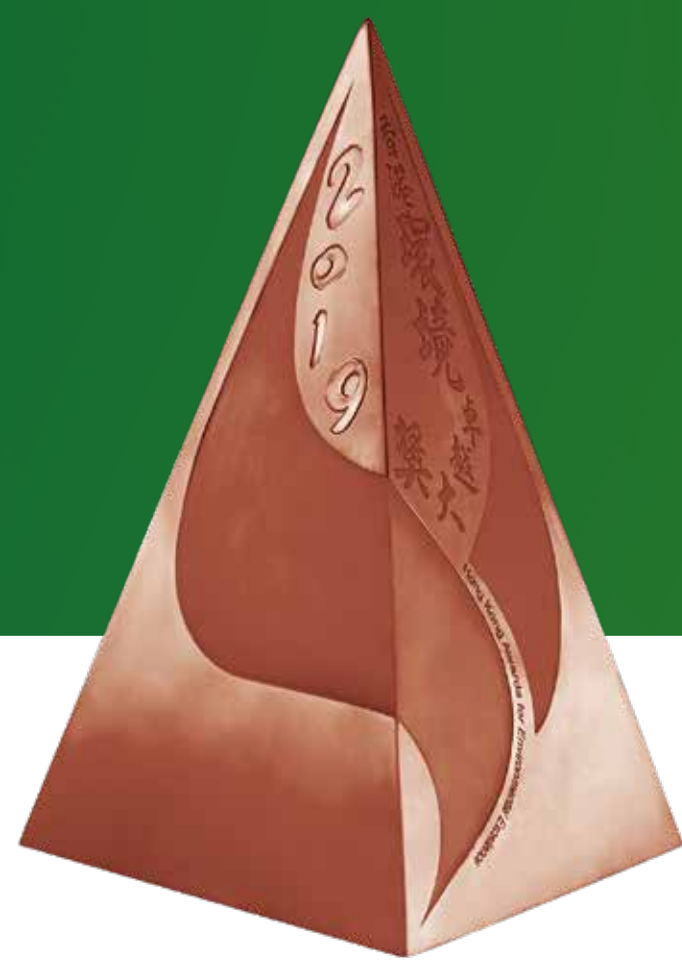

Hong Kong Awards for Environmental Excellence 2019

銅獎 Bronze Award

學校 (中學)
Schools (Secondary)

香港加拿大國際學校 (中學部)
Canadian International School of Hong Kong (Secondary Section)

香港加拿大國際學校 (中學部) 致力透過課程設計及靈活的教學方法，鼓勵學生對不同的環保課題有全面且深入的分析，並安排不同的實地考察、體驗等活動，讓他們能夠親身欣賞大自然的美麗及感受環境問題的嚴重性，從而促使他們對環境有更大的關注和積極為此作出改變。

Canadian International School of Hong Kong (Secondary Section) is dedicated to encouraging students to have comprehensive and in-depth analysis on different environmental issues through design of curriculum and flexible teaching methods. Field trips and experiential activities are also arranged to drive students to appreciate the beauty of nature and sense the seriousness of environmental problems, so as to enhance their awareness on the environment and pro-actively follow up with changes.

透過使用虛擬實境技術，為12年級學生的地理課制訂有關紅樹林及珊瑚生態系統的課程，進一步提升學生對環保的興趣。

Further enhancing students' interest in environmental protection through adopting virtual reality technology to develop a course on mangroves and coral ecosystem for Grade 12 geography class.

透過成立三個學生環保學會，以及籌辦各種活動和工作坊，包括有機耕作、環境技術和電腦編碼工作坊、沙灘清潔、環保籌款活動等，提升學生對環境的關注及認識。

Enhancing students' awareness and knowledge on the environment through three student green clubs and organising events and workshops including organic farming, environmental technology and coding workshops, beach clean-ups, green fundraising events, etc.

舉辦全校性的「GreenWeek 2019」，提倡可持續發展的重要性，當中包括舉辦職員專業培訓計劃，讓教師在香港仔透過體驗方式，了解海港垃圾及郊野公園的生物多樣性等不同環境課題。

Organising a schoolwide initiative "GreenWeek 2019" to advocate the importance of sustainability which included a staff professional development programme to provide teachers with experiential adventures around Aberdeen on different environmental issues, such as marine litter in the harbour, biodiversity in the country park, etc.
