仲量聯行物業管理有限公司 — YKK大廈
Jones Lang LaSalle Management Services Limited – YKK Building

YKK大廈管理團隊積極在不同範疇實施環保措施，例如在各樓層安裝訂製的回收箱或設立回收區，以及中央廢物回收中心，方便租戶將可回收物進行分類；管理團隊亦會主動協助所有租戶建立環保計劃，並向他們提供廢物報告以助進行監測和分析，從而提高其回收率；食堂更設有餐飲預訂機及生物廚餘分解器，分別有助減少浪費食物，及分解廚餘為肥料用於天台農莊。

The management team of YKK Building has pro-actively implemented environmental measures in different aspects, such as installing customised recycling bins or setting up recycling areas on each floor, providing a centralised waste recycling centre to facilitate tenants in separating the recyclables. The management team also assists all tenants to set up their environmental plans and provides them with waste report for monitoring and analysis, so as to enhance recycling rate. Meal reservation machine and bio-food waste decomposers are also installed in the building's canteen to help reduce food wastage and decompose food waste as compost for the rooftop farm respectively.

在頂樓劃出超過115平方米的面積作為耕種用途，以推廣有機耕種和減少剩食的概念。當中的一半收成將捐贈予非政府組織，供重新分配給有需要人士。

Designating over 115 m² area at the rooftop as farming area to promote the concept of organic farming and food waste reduction. Half of the harvest produced will also be donated to a non-governmental organisation for redistribution to people in need.

在飯堂實施「少飯獎勵計劃」，以鼓勵員工和租戶在點餐時選擇少飯。計劃的參加者將獲得免費飲品和雪糕作為獎勵。

Implementing a “It’s All About The Less Rice” programme in the canteen to encourage staff members and tenants to order less rice for meal. Free drink and ice-cream will be offered as reward to participants of the programme.

透過與非政府組織合作，支持收集及回收月餅和月餅罐，並且把措施擴展至同一物業管理公司旗下的其他物業。

Supporting the collection and recycling of mooncakes and mooncake boxes through partnering with non-governmental organisations and extending the initiative with other properties under the same property management company.
