Apart from promoting diving activities, Diving Adventure Limited also upholds the core mission of advocating corporate social responsibility in order to encourage the public to enjoy a healthy and green lifestyle and the joy brought from the underwater world, and at the same time contribute to environmental protection through consuming less resources from the earth.

公司得到漁農自然護理署支持，於2019年舉行十次「海岸清潔馬拉松」全日活動，鼓勵潛水人士協助清潔海底及沙灘上的垃圾。

Supported by the Agriculture, Fisheries and Conservation Department (AFCD), the Company has organised ten “Coastal Clean-up Marathon” whole-day activities in 2019 to encourage divers to clean up marine debris across the coasts and underwater.

The Company has set up the Scholarship for Scuba Diving and sponsored twenty students from two secondary schools for diving courses. The trained students would participate in various marine conservation activities, including reef check and underwater clean-up.

自2016年，公司船隻和車輛改用環保燃料添加劑，並分階段於六艘潛水船安裝太陽能電池板，以減少對傳統化石燃料的依賴和廢氣排放。

The Company's vessels and vehicles have been using environmentally-friendly fuel additives since 2016. Solar panels have also been installed to reduce reliance on conventional fossil fuel and minimise the emission of exhaust gas.
